Content

- Expanding Content
- Video Story Treatments

Expanding Content

- Better educate audience through expanded content
- Engage larger audiences with 3D elements, video, and other common media
- Give each park a story and history to connect with

The Value of Video

Demand for Video Content is Increasing

54%

of consumers want to
see more video content
from a brand or
business they support.

(HubSpot, 2018)

- Video still leading media consumption
- U.S. adults spend almost **6 hours per day consuming video**. Nearly 4.5 of those hours are spent on a phone or tablet
- Videos can promote the app and reach a broad audience

Proposed Videos

- Introductions to *Marshall* and *North Image Park*
- *VanParksVision App Trailer*
- *Park Accessibility Features*
- *Chelsea Anderson/VFD Memorial*
- *Instructional How-To for the App*

- Highlight app features
- Show ease of use

Overall Mood

Uplifting, progressive, and accessible

Video Treatment Park Accessibility

Video Goals

- Demonstrate the accessibility of the park
- Introduction of concepts of all-inclusive play & Harper's Playground

Overall Mood

Bright, fun, and welcoming

Video Treatment Chelsea Anderson & Vancouver Fire Dept.

Video Goals

- Honor the vestige of the original park concept as inspired by Chelsea Anderson
- Highlight the positive impact on the community over the past 20+ years

Overall Mood

Inspiring, touching, and uplifting

Assets

- 2D Map Concepts
- AR Model Concepts

Interactive Map

- Access to information about all park assets and amenities
- Ability to view the entire layout of the park
- Easy to understand, familiar map navigation (such as Google Maps)

Look & Find Activity

- Users find 5 hidden mascots throughout the interactive map
- Encourages exploration of the map and park features
- When a mascot is found, the activity will prompt
 - Window providing park trivia or other information
 - “You have found 1 of 5 hidden mascots!”
- When the last mascot is found, a victory prompt will appear, and could be an opportunity to include local promotions
- An activity for parents and kids to do together

AR Visualizations

- Conceptual models can be viewed from 360°
- 3D helps to visualize objects in a real space
- AR allows users to contextualize the experience if in the park space

Video on Social Media

- Videos receive **38% more engagement** than image posts and **2.1x more comments** (<https://sproutsocial.com/insights/instagram-statistics/>)
- 15-30 second videos are best for social media, but we frequently see influencers post 60 second videos on Instagram that still get views
- Longer videos can be trimmed down to highlight the main objectives of the post
 - Example: To Inform, tantalize, or showcase certain aspects

cmdc.dtc A few weeks ago, some of the seniors went out and filmed a teaser trailer for Now iTour! We are excited to show everyone the full trailer for Now iTour so you can get a better understanding of what this project is all about! The seniors are working so hard to meet their deadlines and they are excited to show the finished product in a few weeks! 😊 #Dtc #cmdc #nowitour #fortvancouver #vancouver #washington
